

Cuckoo Clock

Alternating Right and Left Hand

Tips from Tap:

1. With your teacher, tap on the door, floor, and the closed piano lid, saying, **right - right - left - left, right - left - right - left.**
2. Play on the 2-black keys and say, "right - right," etc. Is your clock keeping a steady beat?

Play fingers 2 and 3 at the same time.

The Cuckoo's Secret:

Decide a number that the cuckoo will chirp: "2 o'clock, 4 o'clock," etc.

Play the first page, then chime the hour you chose on the 2-black keys. Your teacher must guess the time!
