

Treble Clef

The right hand uses the treble clef for HIGH sounds.

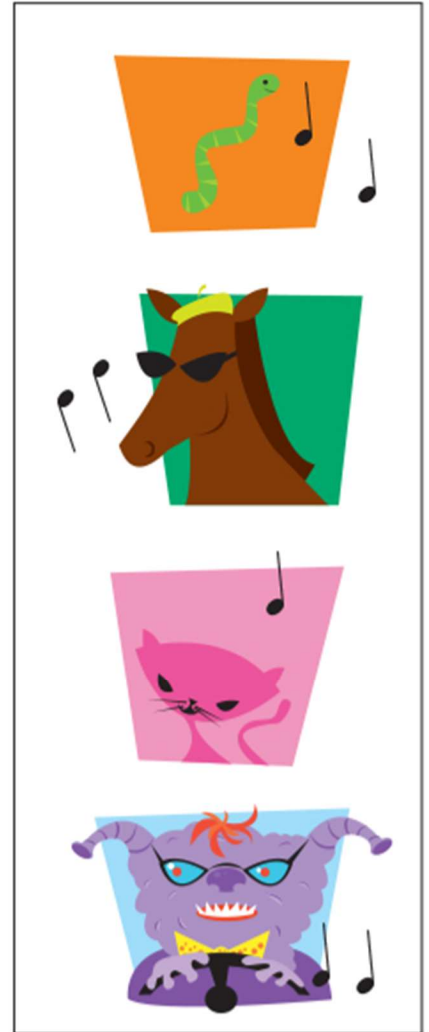

1. Say "treble clef" in a high voice.

3. Your teacher will play a **LOW** or **HIGH** sound. Quickly place R.H. or L.H. on the correct clef.

2. Circle each animal or person that sings in the treble clef.

4. Listen to the audio and point to each clef as it is named.
