

COOKIE'S JOURNEY Up the Mountain

Me want a cookie!

You can have a cookie when we get to the top.

C is for Cookie!

Begin with the L.H. on the LOWEST key—A.

YOUR COOKIE JOURNEY

1. Make a round cookie shape with L.H. fingers 3 and 1. Pretend you are carrying a cookie up a tall mountain (the keyboard).
2. Begin on the lowest key, A. Play and say the music alphabet going up the keyboard: A B C D E F G.
3. Stop on each G so that Dallas can "catch his breath."
4. At the MIDDLE of the keyboard, pass the "3-1 cookie" over to the R.H. Carry the cookie to the top of the piano. Keep saying the music alphabet aloud as you climb.
5. End on C for cookie! Pretend to eat your cookie. What flavor is it?
