

Key Signatures and Scales

(Identifying and Writing)

F# C# G# D# A# E# B#

"SHARP WORLD"

What's the key signature? (go to the last sharp, then go up a half step)

How do you write the key signature?

(go down a half step from the name, then just say your sentence up to that point)

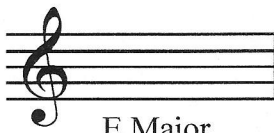

G Major

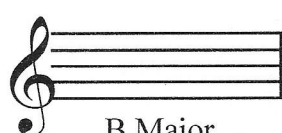

D Major

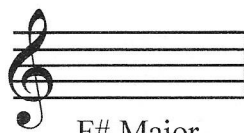

A Major

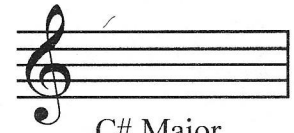

E Major

B Major

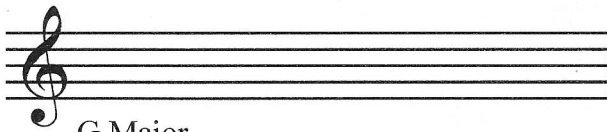

F# Major

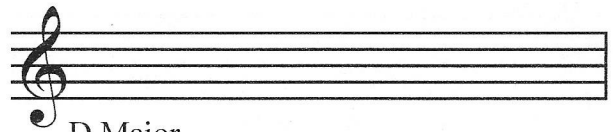

C# Major

How do you write the scale?

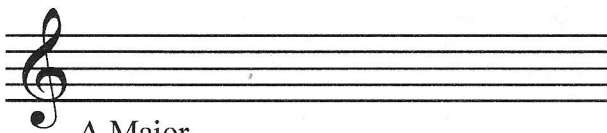

(go down a half step from the name, then just say your sentence up to that point, then add those sharps where they go)

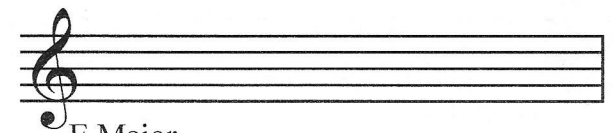

G Major

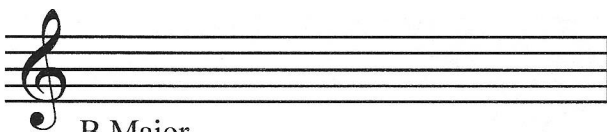

D Major

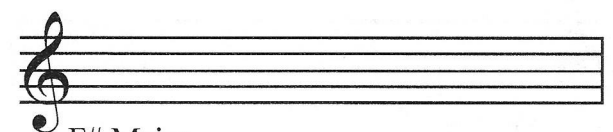

A Major

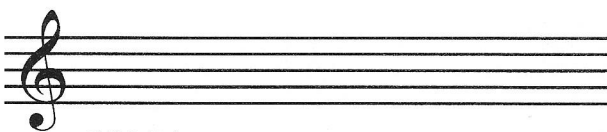

E Major

B Major

F# Major

C# Major

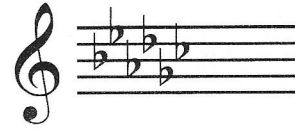

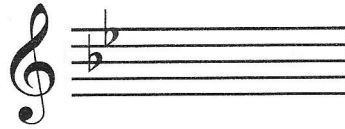

Key Signatures and Scales

(Identifying and Writing)

B \flat E \flat A \flat D \flat G \flat C \flat F \flat

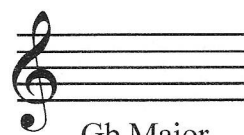

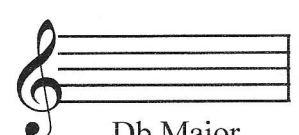

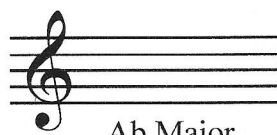

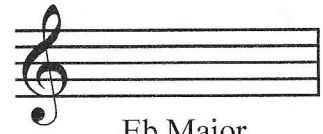

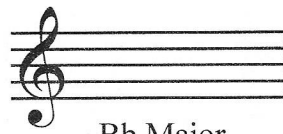

"FLAT WORLD"

What's the key signature? (just go to the next to last flat)

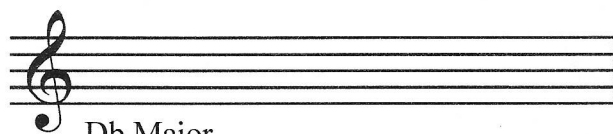

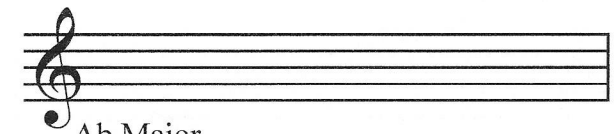

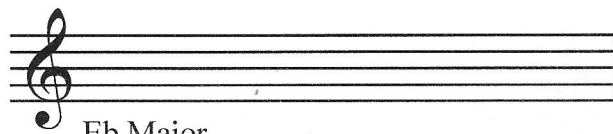

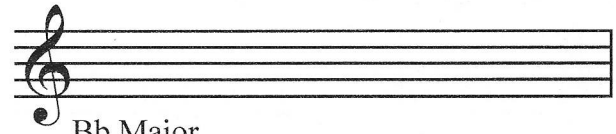

How do you write the key signature?

(say your sentence up to the name, then add one more...add the flats where they go)

How do you write the scale?

(say your sentence up to the name, then add one more...add those flats where they go)

Using Shortcut "Sentences" in Music

world

F# C# G# D# A# E# B#

1. Key Signatures:

E Major =

1. go down half step
2. say your sentence to this point

2. Writing Scales:

E Major =

(same rule)

3. Writing Intervals:

1. draw the upper whole note
2. if a scale with #'s, go down half step
3. say your sentence to this point
4. add a sharp to the top note if necessary

M3

b world

Bb Eb Ab Db Gb Cb Fb

1. Key Signatures:

A^b Major =

1. say your sentence to this point
2. add 1 more

2. Writing Scales:

A^b Major =

(same rule)

3. Writing Intervals:

1. draw the upper whole note
2. if a scale with b's, say your sentence to this point and add 1 more
3. add a flat to the top note if necessary

P4

One Exception - F Major

1. Key Signatures:

F Major =

(no shortcut here - just have to memorize the ♭ is on the middle line for the F Major key signature)

2. Writing Scales:

F Major =

Hint: "F" (for F Major) is the first letter of the word "fourth" and the 4th note of the scale gets the flat!

3. Writing Intervals:
