

Lyrics - "The Winds Over Hills and Sea"

Chet Chwalik

[intro...musical quotes of Danny Boy/Ash Grove/Loch Lomond...violin]

Verse 1:

In the ||cool air of the |morning,
as the |sun begins to |rise.....,
I |know you will |be there,
|morning, Noon and |night.....;

|Spirit, you are |there
in the |rose and the |dew
wher|ever we |are
I |know it is |true.
> > > >

CHORUS:

From the |Ash Grove to Loch |Lomond,
From Sacra|mento to the Bay,
|Spirit you're with|in me,
to |guide my |way.

|Your love never |ends
it's in |all that we |see
Your |love is e|ternal...|....
like the |winds over |hills..... and |sea. [brief interlude]

Verse 2:

|As life goes |by,
|day after |day.
|Many things re|mind me,
of your |love as I |pray;

A |bird in |flight,
a |smile from a |friend,
I |thank you O |God,
as |I say a|men
> > > >

CHORUS:

From the |Ash Grove to Loch |Lomond,
From Sacra|mento to the Bay,
|Spirit you're with|in me,
to |guide my |way.

|Your love never |ends
it's in |all that we |see
Your |love is e|ternal...|....
like the |winds over |hills..... and |sea. [crescendo!]

Bridge (forte!):

Be Thou My Vision, my wisdom, my light,
your love is with me, it shines so bright.
Be Thou My Vision, my wisdom, my light,
your love is with me, it shines..... so.....
bright!

CHORUS:

From the |Ash Grove to Loch |Lomond,
From Sacra|mento to the Bay,
|Spirit you're with|in me,
to |guide my |way.

|Your love never |ends
it's in |all that we |see
Your |love is e|ternal
like the |winds over |hills.... and |sea.....

|Your love never |ends
it's in |all that we |see
Your |love is e|ternal...|....
like the |winds..... over |hills..... and |sea.
