

**Star Crossing Over:** (on the closed keyboard)

1. Balance your **R.H.** on all five fingertips. Pretend this is Tap's home at night.
2. **L.H. finger 2** is the star. Lift it over "Tap's house" and set it down just above R.H. finger 5.
3. Now bring your L.H. back to a round hand shape. Repeat several times.

**At the keyboard:**

4. Play and enjoy your fine piano technique. Have fun with the duets!
