

CHALLENGE SECTION

Teacher Note: The 12 major 5-finger scales shown below may be introduced throughout Level 2A. A final goal might be to play the “Adventure Warm-up” chromatically up the keys.

For Adventurers

- Use the “Adventure Warm-up” below to explore each scale.
- Circle the keyboard for each scale learned.
- Transpose pieces from the book to these adventurous keys.

“Adventure Warm-up” in C

Moderately

The C, G, and F chords are all white-white-white.

Ex.

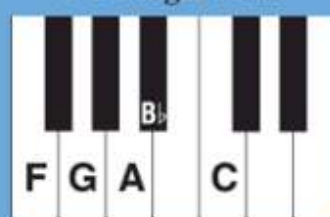

C 5-Finger Scale

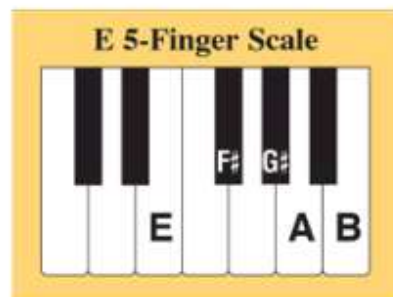

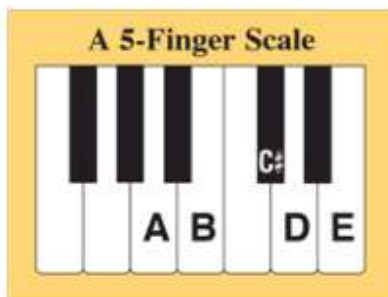

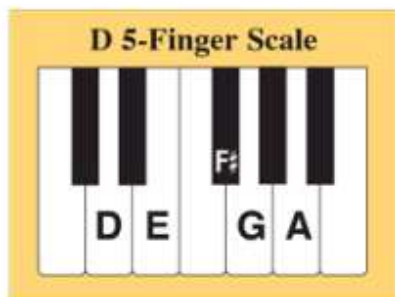

G 5-Finger Scale

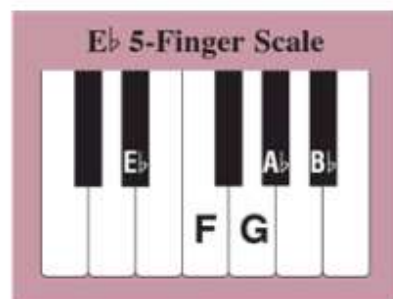

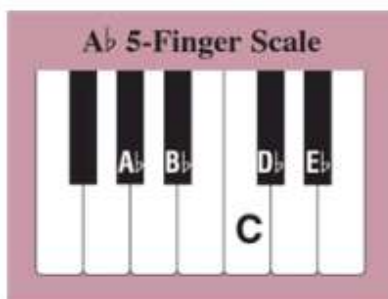

F 5-Finger Scale

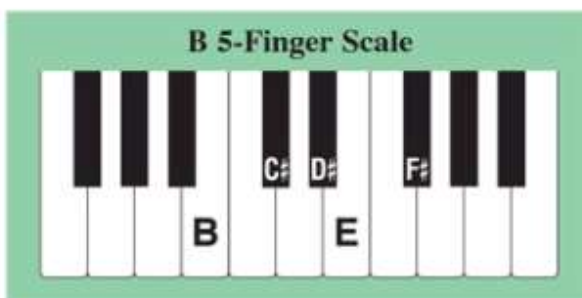

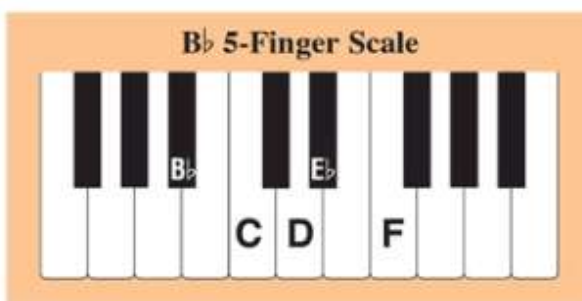

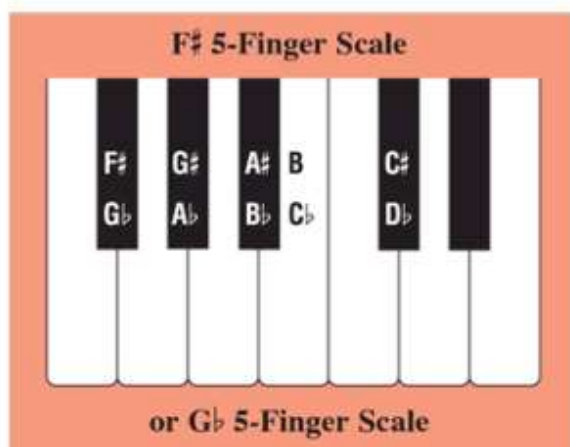

The **D**, **A**, and **E** chords are all white-black-white.

The **D \flat** , **A \flat** , and **E \flat** chords are all black-white-black.

The **F \sharp** (or **G \flat**), **B \flat** , and **B** chords are all *different*!

On a separate sheet of paper, draw black and white mountaintops to illustrate the **F \sharp** (or **G \flat**), **B \flat** , and **B** chords.
